

VDI will be attending IMS 2022 is in Denver Colorado

You are cordially invited to join us in Denver, 19-24 June 2022 at the intersection of communications, aerospace, automotive, IoT and other emerging technologies to learn the latest developments in MHz-to-THz theory, techniques, devices, systems and applications at the International Microwave Symposium (IMS). It's the world's largest gathering of radio-frequency (RF) and microwave professionals encompassing MHz to THz ranges and the most important forum for the latest research advances and practices in the field. Visit us at [VDI booth# 8036](#). We are looking forward to meeting you.
